

## **Financing Request Form**

Impact Development Fund (IDF) provides loans to non-profit and for-profit organizations for: 1) the development or preservation of affordable housing (serving households of AMI's under 120%); 2) the development, redevelopment or renovation of commercial real estate in targeted neighborhood revitalization areas, and; 3) non-profit organizations that serve low-income populations for the purchase and/or construction of facility space. IDF provides loans for projects located throughout Colorado.

This form is <u>NOT</u> considered an official application for financing. Once reviewed, IDF staff will contact the requestor to discuss next steps if applicable. Please email us at <u>commercial@impactdf.org</u> if you have any questions about the form or required information.
