Welcome to the Deed Restriction Application Process!

Dear Entity Applicant:

On the following pages you will be asked to provide information which will permit us to determine whether you are eligible to own a unit that is deed restricted. We are Impact Development Services (IDS). We have been designated by the City of Ouray Housing Committee as the Administrator of the Ouray Waterview Homes program. Remember, if you own a deed-restricted unit there are strict requirements covering the mandatory rental to Qualified Occupants.

Please read all the information carefully and contact us with questions. We cannot process an application until it is complete.

IDS is subject to the Colorado Open Records Act (CORA) Colorado Revised Statutes section 24-72-201, et seq. Any information that you provide becomes public record, with the exception of specific confidential information as stated in CORA. Confidential information under CORA includes items such as financial information; for example, state and federal income tax returns. However, please be aware that any confidential documents or information that you choose to provide or disclose at a public meeting will become a part of the public record of that meeting, and therefore subject to disclosure pursuant to CORA. With this in mind, please redact or blackout your social security number and other sensitive information, like your date of birth.
