Origination Procedures

Application: Mortgage loan officer submits Loan File Checklist to Impact Development Fund (IDF), complete with all documentation shown on the form. A loan commitment is usually issued within 48 hours, or less. Any remaining documentation requirements will be detailed.

Processing: IDF will order title commitment and evidence of hazard insurance. Final loan documents are delivered electronically to loan officer for presentation to borrower. ECHDA must provide a completed Environmental Clearance form and property evaluation report for the IDF loan file. All outstanding items must be cleared prior to funding.

Closing: IDF will deliver closing instructions and loan proceeds direct to title. Wires are sent 24 hours prior to the scheduled closing date, so the loan officer must advise of any schedule changes as soon as possible.

Fees Collected: The origination fee is paid outside of closing by ECHDA. A public recording fee for the deed of trust (approximately 4 pages) and origination fee will appear on the Closing Disclosure (CD). IDF will review and approve the final first mortgage CD prior to funding. Title insurance is not required for Eagle County Division of Housing loans.

Requirements: LOAN OFFICERS ARE REQUIRED TO PRESENT ALL EAGLE COUNTY DIVISION OF HOUSING DOCUMENTS AT, OR PRIOR TO, CLOSING. Both the Borrower and loan officer must execute the Lender Certification form, acknowledging disclosure of all loan terms and contact information.

Settlement: Borrower may NOT receive any proceeds at the time of settlement regardless of total contribution. Title will be instructed to show any excess proceeds as a principal reduction to IDF on the Closing Disclosure (CD) and return such funds for proper credit. No changes to the Eagle County Division of Housing loan documents or loan amount shown on the CD are permitted.

Post Closing: The original deed will be recorded by title with all other original Eagle County Division of Housing loans documents returned to IDF via overnight courier. Any excess proceeds will be applied as principal reductions, with applicable notice delivered to the Borrower upon receipt.
